

## LPFA ENVIRONMENTAL POLICY

LPFA is committed to conducting its business with respect and care for the environment.

The Board of LPFA regard the promotion of environmental measures as a mutual objective for management, employees at all levels and those working for or on behalf of the organisation, and are committed to providing the resources necessary to fully implement the Environmental Policy which is designed to satisfy the requirements of the ISO 14001:2004 standard, and operate environmental best practice throughout the LPFA.

LPFA will carry out its activities with consideration for the environment as part of the process to prevent pollution and minimise waste.

In order to meet the above requirements, LPFA will:

- Hold managers accountable for environmental performance of their areas of responsibility;
- Monitor environmental aspects within our control, with a view to reducing the impact on the environment;
- Prevent pollution and waste and encourage recycling;
- Maintain sufficient documentation to demonstrate compliance with the environmental requirements;
- Comply with all applicable environmental legislation and other relevant requirements that may be placed upon us;
- Assess, in advance where possible, environmental impact resulting from business operations and the environmental effects of any significant business development, and adjust the plans accordingly;
- Ensure that all incidents and non compliance situations are reported, recorded and root causes identified where environmental harm occurs or could have occurred and ensure that corrective and preventive actions are

implemented;

- Demonstrate our commitment to continual improvement of our environmental performance by setting targets and objectives for our environmental activities and review these measures on a regular basis;
- Maintain an open communication environment, whereby, all employees can actively participate in the Environmental Management System. Managers and supervisors are encouraged to address employees' questions and concerns promptly and thoroughly.
- Communicate and provide the necessary information, instruction, supervision and training to enable all persons, affected by the LPFA's undertakings, to carry out their environmental duties.

This policy will be made available to our employees, to those working for or on behalf of LPFA and provided on request to any other interested parties including members of the public. This policy will be periodically reviewed in accordance with LPFA procedure. We also recognise that we have a responsibility to encourage our suppliers, to assist us in achieving our environmental objectives by providing products and services that are in-line with best environmental practice.
